when rough sex between jessie and gerald burlingame turns deadly leaving gerald dead and jessie handcuffed to the bed it sets in motion a terrifying and psychologically twisted twenty eight hours

an insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a christian perspective faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually what faith healers teach however often goes unchallenged faith healers and the bible what scripture really says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe drawing on a lifetime of study and nearly two decades of teaching a university course titled the rhetoric of faith healing stephen j pullum

phd provides scriptural insight into the false claims frequently found in the preaching of healing revivalists after an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of god the indwelling of the holy spirit and the health and wealth gospel meeting faith healers on their own turf the bible pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported

in 2013 an apparently simple back to basics scary movie transformed horror cinema for the rest of the decade based on the allegedly true story of the perron family haunting and subsequent investigation by ghost hunters ed and lorraine warren the conjuring has to date spawned six sequels and prequels making up a conjuring universe that has taken over a billion dollars around the world the new york times called the conjuring a fantastically effective haunted house movie which following his earlier film insidious established director james wan as a force in horror cinema in this devil s advocates horror scholar kevin wetmore examines what elements in the film are truly terrifying how the filmmakers claims of being based on a true story hold up against the actual history of the haunting and the warrens and the relationship between the conjuring and the many films in its universe along the way this book also considers how games toys and dolls play an important role in the series offers a critique of gender roles in the films and asks the question what is actually conjured in the conjuring the delightful result is an in depth close reading of a film that uses standard horror tropes masterfully to create a truly scary film

the wild free garden is your guide to creating a stunning outdoor space using found materials free resources community connections and your own creativity imagine designing a beautiful and inspiring garden at a cost far less than you ever thought possible author stephanie rose of garden therapy shows you how to do just that by tapping into the sharing economy where you can find a wealth of free or low cost materials with exceptional quality and style the secret is knowing where and how to look the benefits of stephanie s approach reach far beyond free stuff the wild free garden returns you to the roots of community building and shows you how to create a garden that reflects your individual style creativity and personality you ll spend less waste less and uncover an abundance that money can t buy with every project and with every seed you plant you ll grow a deeper connection to your garden your community and yourself wild wildness is our history when life was simpler entwined with family and neighbors and in tune with nature free freedom is our abundance found by sourcing well crafted long lasting items for free celebrating personal style and sharing with the community illustrated with vibrant color photography the wild free garden teaches you to
